Wish List Letter (Parent)

Dear HSH Sponsor,

I would like to start by saying thank you for thinking of us during this holiday season and for supporting my sons and I. This Christmas, I am hoping for kitchen items such as an air fryer, dish towels, mason jars, and a spice rack please. I would also love some items to practice self-care like face masks, a body care set, candles, hand cream and lip balm but I would appreciate anything that you are able to support with. Thank you so much!
